

Welcome to the AHFES
May 2022 Newsletter:

Healthy Food News,
Training and Analysis

Time to focus on the future as

Time to focus on the future as
**AHFES secures additional funding to support
sustainability within the food and drink sector.**

The additional funding is aimed at the
sustainability component of food manufacturing,
helping them to analyse their current status and
formulating recommendations for action towards
incorporating sustainability practices.

The AHFES training library just keeps getting bigger. With 32 business training modules available FREE!

Check out the latest modules.
"Sourcing For New Concepts"
"Preparing For Production Trails"

A full range of training modules aimed at Healthy Food manufacturers.

[Check out all the modules here.](#)
